Instructions: CPOD (Commodity – Point of Distribution)

Purpose: This CPOD form identifies the location of a CPOD and initial list of commodities with beginning quantities on hand. Although the site details are optional, filling in with the best information at hand is beneficial to all. They are valuable to assist in understanding the physical properties of the site, security requirements, and such.

Some form details are described below:

CPOD Type:

Type I C-POD	250 ft. x 500 ft.	• Requires a staff of 78 per day • <i>Type I PODs are only used in large metro areas</i> • <i>Twelve loading points and four vehicle lanes are used</i>
Type II C-POD	250 ft. x 300 ft.	• Requires a staff of 34 per day • <i>Six loading points and two vehicle lanes are used</i>
Type III C-POD	150 ft. x 300 ft.	• Requires a staff of 19 per day • <i>Three loading points and one vehicle lane are used</i>
LSA (Logistics Staging Area)		• <i>As a general guideline, between 40 and 172 personnel should be assigned. In extreme circumstances, this may be scaled down to 20, or scaled up to 183 personnel.</i>
Non-CPOD Distribution Point		• <i>A non-planned distribution point for smaller operations, smaller than a Type III CPOD.</i>

If more than 8 commodities are being distributed, please continue with a ‘CPOD Commodities’ form and annotate as such by writing “Initial” in the Prepared date/time field of the “CPOD Commodities” form.

Instructions for Jurisdictions:

Field	Instructions
Date	<u>Required.</u> Enter the date created.
Time	<u>Required.</u> Enter the time created. Use 24-hour time.
Handling	<u>Required.</u> Select one. Messages are sent in priority order and as soon as possible. Indicated times are approximate maximum wait times if radio net is busy.
TO / FROM	If needed, radio operator can suggest most appropriate TO position and location.
ICS Position	<u>Required.</u> Enter the ICS position name.
Location	<u>Required.</u> Enter the location.
Name	Optional. Enter only if the message is to a specific individual.
Contact Info	Optional. Enter a phone number, frequency or other info that may help reach the person or position.

Instructions for Radio Operators:

Field	Instructions
Origin Msg #	<u>Required.</u> Enter the message number of the original sending station.
Destination Msg #	<u>Required.</u> Enter the message number of the ultimate destination station.
Relay	When relaying: Enter a call sign and/or time, or other useful mark or info, to indicate status.
Name	<u>Required.</u> Enter the first initial and last name of the radio operator that handled the message.
Call Sign	<u>Required.</u> Enter the call sign of the radio operator that handled the message.
Date	<u>Required.</u> Enter the date the message was sent/received.
Time	<u>Required.</u> Enter the time the message was sent/received. Use 24-hour time.
