Instructions: Notable Report

Purpose: This Notable Report form is meant to be used to communicate issues that are observed in the community. There are specialty forms for shelters, road closures, damage assessments, etc. These Notable Reports are meant for everything else that cannot be categorized (for instance: tree down, fire hydrant broken, location of an incident command post, ...).

Note: No emergency services will be dispatched based on this report. This report is to communicate Situational Awareness only. If emergency services are required, please follow your procedures for requesting these services (911 or such)
